HARDY NOMINATED

Groesbeeck, Texas, Aug. 28.—Judge Rufus Hardy of Corsicana tonight received the democratic nomination for Congress from the Sixth district, composed of the counties of Navarro, Limestone, Freestone, Milam, Robertson and Brazos.

Hon. Scott Field secured the floor to withdraw the name of Hon. T. S. Henderson. The chair ruled against the withdrawal and Mr. Henderson's name was placed before the convention by a Hardy man. Mays was dropped on the first ballot and Hardy was nominated on the second ballot by a vote of 17 and a fraction to 12 and a fraction. Those opposing Judge Hardy filed protests against the action taken.

RIPPED AND SLASHED

Tragic Fate That Overtook a New York Woman.

JUGULAR IS SEVERED

Party Who Says Mrs. Annie Moore Married His Brother, Now Dead, Former Passin as Her Husband, Held.

New York, Aug. 28.—A woman known as Mrs. Annie Moore was found murdered early Tuesday in a furnished room at 6 Second street. She had been horribly ripped and slashed. One gash had severed the jugular vein in the left side of the throat, another had almost cut the windpipe, and a deep knife thrust had ripped open the body, disemboweling it. No weapon was found and there were few blood marks around the room.

James Moore, who had posed as the woman's husband, was held by the police on suspicion. It was he who notified the police of the murder. He ran up to two detectives at Second street and the Bowery at 2 o'clock in the morning and told them he had just gone to his home and thought his sister-in-law was dead. The police hurried to his home and began to investigate the crime. Moore told the police he and the woman had been living together for seven years. The woman, he said, was the widow of his brother, who died ten years ago.

No one in the house could be found who heard any sounds as if a struggle was taking place. Herman Von Hohen, who has an adjoining room, was aroused by the police and said he had been in bed since 5 o'clock in the afternoon and had heard no noises whatever.

The dead woman was fifty years old. Police inquiries at a saloon developed the information that Moore had been there until just before 10 o'clock, when he left. Lodgers in the Second street house told the police that Moore returned home about 10 o'clock and he did not go out again.

WICKED WINTERSTEIN.

Shoots to Death One Woman and Seriously Wounds Another.

New York, Aug. 28.—John Winterstein, thirty years old, a fireman on the steamship Colon, shot and killed Mrs. Annie Larsen, twenty-nine years of age, in her apartments Tuesday morning. Mrs. Sallie Prhum, twenty-eight years of age, a cousin of Mrs. Larsen, was shot and seriously wounded by the fireman. Winterstein was arrested after a hard struggle. He was infatuated with Mrs. Larsen and said he was jealous of the woman.

ALL DEPARTMENTS.

Phonetic Spelling Will Be Used in Every One of Them.

Washington, Aug. 28.—The president's order regarding phonetic spelling will be extended to all parts of the government. By his direction, all public documents will be printed with that form of spelling. At a meeting held Monday, called by Public Printer Stillings and all the chief clerks of the various departments, a committee was appointed to formulate rules for carrying out this order. The committee will report at a future meeting.

LIST RECEIVED.

President's Correspondence to Be Spelled With Reformed Words.

Oyster Bay, Aug. 28.—The official list of 300 reformed words has been received at the white house and all letters are now being spelled thus. This list will be the official dictionary of the executive staff henceforth and when the committee shall add new words to the list, they will at once be adopted.

RESENT ANY ACTION.

Newspaper of Beaumont Receives an Unsigned Letter.

MAYOR ALSO WARNED

Writer of the Communication Ventures the Prediction That the Negro Race Will Rule in That City.

Beaumont, Aug. 28.—The negroes of Beaumont, according to an unsigned letter received by the Enterprise, Monday night, have formed an organization for the purpose of resenting anything done to punish any of their race by the officials of the city. Friday night the officers of the city rounded up almost 100 negroes in the dives of the city, who were fined as vagrants or ordered to leave town. Many left the next day, and it was thought that this would be the end of the matter until the threatening letter was received. The letter warns Mayor Fletcher of trouble, and ends by saying that the negroes will yet rule this city. The city authorities have the matter in hand, and if a secret organization has been perfected to precipitate trouble with the whites, action will be taken to end its existence in short order.

NEGRO'S MISHAP.

Leaves Part of His Right Leg Terribly Crushed by a Train.

Sherman, Tex., Aug. 28.—A negro was found in the Ray terminals of the Missouri, Kansas and Texas railway in a mangled and bruised condition. He was picked up and given into the care of the company surgeons, who amputated the right leg just above the knee, the lower part of the limb being a pulp of crushed flesh and bones. The left arm was also badly bruised.

The negro made the following statement: "My name is George Townsend, and my home is at Terrell. I had just gotten to the Ray yards, and was walking down between the tracks when a man came along and knocked me down. I fell across the track, and I remember that a train was backing up at the time. I do not have the least idea why the man hit me."

SHOT FIVE TIMES.

Body of J. F. O'Neal Found on Roadside and Horse Near By.

Quanah, Tex., Aug. 28.—Body of J. F. O'Neal was found on a road two miles east with blood oozing out of five bullet wounds. There were two wounds in his head, one through his breast, one in a hip and two in his arms. He was lying on his face, and there was no weapon beside him. A widow and four children are left. Stokes Moore, O'Neal's father-in-law, came here and surrendered. He has nothing to say.

ATTEMPT TO WRECK.

Party Started to Run, but Was Over-taken and Jailed.

Hobart, Okla., Aug. 28.—An attempt was made to wreck a fast Rock Island passenger train between Gotebo and Hobart, and a man was captured and brought to jail here. Loose ties had been piled on the track, but the engineer saw the obstruction and stopped his train just in time. A man hiding beside the track started to run, but he was overtaken by the train men, to whom he gave the name of Charles Combs.

Beer Substitutes Prohibited.

Ardmore, Aug. 28.—United States Marshal Porter has issued peremptory orders that substitutes for beer and mild beverages must not be sold in this district. A test case will probably be taken into the courts.

Texas has a number of cotton mills in successful operation and they ought to be a sufficient inducement for idle capital to invest in other mills. The day is going to come when the bulk of the Texas cotton crop will be manufactured right here in Texas and those who get in on the ground floor will profit accordingly.—Denison Herald.

EXIT FROM HORRORS.

St. Petersburg Paper Wants Cabinet to Prepare a Constitution.

St. Petersburg, Aug. 28.—The court at Peterhof is apparently divided as to how to meet the campaign of Terrorists. Premier Stolypin and cabinet, however, have taken a stand against repression on a scale which will drive the whole population into a revolt. The premier's views are reflected by the Russia, which declares the government must not be frightened into abandoning reform program. It is only necessary, the paper asserts, to draw the line between loyal opposition and those who by word and act seek the destruction of the government.

The Novoe Vremya proposes as an exit from horrors of the worst kind of civil war, to confer on the cabinet authority to prepare a constitution, which will realize the hopes of sane Liberals.

The funerals of the victims of the bomb explosion of Saturday last at the residence of Premier Stolypin, were held Tuesday under military escort.

RESULT OF RUNAWAY.

Miss Florence Foster's Skull Fractured and Rib Pierced Lung.

Marshall, Tex., Aug. 28.—While Miss Florence Foster of Longview was out driving with some friends here the horses ran away. Miss Foster's skull was fractured, a rib pierced one lung and she received other injuries. The young lady's parents, who were instantly telegraphed, came on a special train.

HOUSE RIDDLED.

Revolutionists Inside and Police and Troops Have a Battle.

Riga, Aug. 28.—Police and troops Tuesday surrounded a lodging house on St. Oliva street where bombs had been discovered. Revolutionists inside fired with rifles from windows on the attacking party and also threw a bomb, whereupon the troops riddled the house with bullets, killing and wounding several.

LOSSES PAID.

Some of the Large Companies Made Heavy Payments.

San Francisco, Aug. 28.—Thirty-five insurance companies out of 120 involved in the San Francisco disaster, have paid in the aggregate \$55,103,862.22, according to their office records to date. Some larger concerns made heavy payments. Six companies paid upward of \$2,000,000 each, while an equal number exceeded \$1,000,000.

DECLARED ABSURD.

Elliott Says Standard Will Not Buy Up Distilleries.

New York, Aug. 28.—M. F. Elliott, general counsel for the Standard Oil company, was shown a telegram from Peoria to the effect that the Standard Oil company had taken steps to acquire all the distilleries in the United States as the result of the passage of denaturalized alcohol law by congress. "Nothing could be more absurd," said Mr. Elliott concerning the matter. "The Standard Oil company has taken no steps in this direction whatever, nor will it."

Indigestion Causes
Catarrh of the
Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

ALABAMA DEMOCRATS.

Nominate Coomer For Governor, and
Both Senators Endorsed.

Montgomery, Aug. 28.—The Democrats of Alabama Monday elected state officers by a primary, and also voted for two candidates for United States senator. Owing to the great age of the present senators, who had no opposition to re-election, two candidates for alternates were voted for.

These alternates will be selected by the governor or elected by the legis-

CONGRESSMAN J. H. BANKHEAD, ALA-
BAMA.

lature in case of death or disability of the present incumbents.

For governor, Hon. R. B. Coomer of Birmingham was nominated over R. B. Cunningham by a majority estimated at from 5,000 to 8,000.

For lieutenant governor, H. B. Gray, Birmingham and D. J. Meador of Myrtlewood are in the lead, the returns at hand being insufficient to name the successful aspirant.

For United States senator John T. Morgan and Edmund W. Pettus had no opposition.

For alternate senator, United States Joseph Johnston, John Bankhead and John Knox are in the lead.

O. W. Underwood of the Ninth congressional district was renominated and W. B. Craig of Selma was nominated to succeed Sydney J. Bowie as congressman for the fourth district.

REPRIEVE GRANTED.

Attorneys to Be Given Time to Perfect
Appeal of Mrs. Myers.

Jefferson City, Mo., Aug. 28.—Governor Folk has granted a reprieve until Oct. 26 to Mrs. Agnes Myers, now in jail at Liberty awaiting execution for the murder of her husband. Like action was taken in the case of Frank Holtman, Mrs. Myers' accomplice, now in jail at Kansas City. Both had previously been sentenced to be hanged on Sept. 3. Governor Folk granted the respite to the woman so her attorneys might have time in which to perfect their appeal to the United States supreme court, preliminary action on which has been taken recently.

The governor left for New York to attend the Bryan reception.

Louisville Wants Convention.

Louisville, Aug. 28.—Louisville and Kentucky's official committee to welcome W. J. Bryan on his arrival from Europe will be on time at New York. Louisville is making a strenuous effort to secure the next Democratic national convention, and a committee will meet with the Democratic national committee in New York Aug. 30 to press Louisville's claim and give necessary guarantees for that purpose.

INDEPENDENT DEMOCRATS.

They Will Have a Conference at Albany on Sept. 5.

New York, Aug. 28.—The Evening Post announces that a number of Independent Democrats have agreed and issued another calendar calling a conference at Albany Sept. 5, at which every county in the state will be represented. The circular announces that addresses will be made at this conference by District Attorney Jerome, among others, and that others have been invited to speak, including Mayor J. N. Adam of Buffalo, Edward M. Shepard of Brooklyn and D. Cady Herick.

The Post says it is evident from the wording of the call that the Independent Democrats who have issued it are against Hearst, and that their attitude towards Jerome is indicated by the fact that he will address them.

The circular declares that the purpose of the conference is to take whatever action seems most effective "in the present emergency to prevent the completion of the corrupt deal which is contemplated, involving the sale of the Democratic name and organization."

The circular says also that there is danger that the party will fall a prey "either to selfish corporate influence to some unprincipled demagogue without fixed political principle, or to some clique of unscrupulous politicians without any political principles whatever."

GROWS GREATER.

Coomer Has a Large Majority For Democratic Nomination For Governor.

Birmingham, Ala., Aug. 28.—Further returns from the Democratic primary held in this state indicate that B. B. Coomer's majority for governor will be between 15,000 and 20,000. The unusual length of the ballot impedes the counting of votes greatly, and as a consequence returns are slow coming.

The result for lieutenant governor is in doubt, the fight being an open one between Gray, Meador and Emmett O'Neal. The race for chief justice of the supreme court is close between Chief Justice Weakley and Associate Justice Tyson, with Weakley leading.

Brandon is probably nominated for secretary of state, Gunnel for superintendent of education and Garber for attorney general.

The alternate senatorial race is between Johnston, Knox and Bankhead, with chances favoring Bankhead and Johnston.

Leading candidates for railroad commissioner seem to be Harris and Henderson.

Craig is nominated for congress in the Fourth district. Congressmen Burnett in the Seventh, and Underwood in the Ninth districts are unopposed.

FARLEY FOR FRISCO.

Leaves New York City With Eight Hundred Strikebreakers.

New York, Aug. 28.—James Farley, the strikebreaker, has, says a morning paper, contracted to break the street railway strike in San Francisco.

Two special trains loaded with strikebreakers left Jersey City at 10:30 o'clock last night for San Francisco. It was estimated that there were 800 men on the two trains, which had ten cars.

On each car were four of Farley's detectives, armed with clubs like the night sticks carried by policemen. Every effort has been made to feed the men on the train and prevent unnecessary delay in getting to the coast. Great quantities of cooked food were put on the trains. A beer supply consisting of 8000 bottles was taken along.

The men were brought over to Jersey City in a special ferryboat from New York. Many men came without their coats and there was great hurry in getting them off. Some of the men, it was said, did not notify their families they were going.

SEVENTEEN SLAIN.

Cuban Government Deals Insurgents a
Forcible Blow.

Havana, Aug. 28.—At the moment Monday when the government was issuing its proclamation offering to pardon rebels who would lay down their arms it forces were dealing the most forcible blow that has yet been struck against insurgents in the field. For several days it has been stated that General Guzman's forces of insurgents, which was variously estimated at from 200 upwards, contemplated an attack on Cienfuegos. Colonel Valle, with a detachment of rural guards and volunteers, was dispatched to Cienfuegos for the purpose of engaging General Guzman and breaking up the band. The encounter of the two forces resulted in the worst disaster which the insurgents have sustained up to this time. They lost seventeen men killed and many wounded, while the loss to the government force was one man killed. The government is without further particulars of the fight.

Each of the counts covers an alleged offense, and is based on a tank car shipment of petroleum products from the refineries at Whiting, Ind.

CAUSED BY COAT.

Difficulty Over Ownership of Garment Results in a Killing.

South McAlester, Aug. 28.—Thomas Careda, an Italian merchant, was shot and killed at Bache, four miles from this place. His slayer escaped. The difficulty was over the ownership of a coat which had been pawned. Careda was shot in the abdomen with a B. shot, and died instantly.

CORPSES SAT UP.

Two Men and Four Mules Were Killed by Stroke of Lightning.

Roswell, N. M., Aug. 28.—Two men found sitting upright in a wagon dead, and four mules dead in harness near Kenna, have been identified as Victor and Thomas Simpson, brothers, who lived on farms near Lida. They were killed by lightning while driving from Roswell to their farms.
